Nature Publishing Index 2010: Asia-Pacific

Announcing the publication of the 2010 rankings of top institutions and countries in the Asia-Pacific by number of papers published during 2010.

NEW this year is a global ranking of the **top 50 institutions in the world**, placing the Asia-Pacific in a global context.

You can [download the yearly print publication](#) or [view the Nature Publishing Index: Asia-Pacific](#), which is updated weekly.

NB: the supplement was written before the earthquake disaster in Japan
